II. Letter No. 3922—1192, dated 3rd September 1889, from the Executive Engineer, Bangalore Division, regarding the proposed construction of additional lines for the Barr Sepoys on the Municipal land near the Agrahara tank.

Resolution.—All the members including the Senior Surgeon adjourned to this site and after inspecting the same resolved (Mr. Scaldwell dissenting) to record their decided opinion that the site selected is the most unsuited—

Firstly, because it is too low and forms part of the Agrahara Tank bed.

Secondly, because it is too near the Arlepete sewer and the Muhammadan grave yard.

Thirdly, because it is too close to the populous part of the Town.

Fourthly, because the extension which is to be substantial and well-built with Mangalore tiles and which would form a handsome block of buildings by itself will be concealed from view by the present lines.

Fifthly, because if the same is built on the high ground to the west of the present lines the extension will not only beautify the whole place but will be the means of removing the pensioners' huts which at present are the source of a great nuisance and which it is urgently necessary to remove to a distance in the interests of the Barr Force.

Note.—To this last ground of objection Mr. Scaldwell also assents.

III. Application from Mr. A. Gopalacharlu, Srinivasa Mandiram and Charities, soliciting a monthly grant from the Municipal Funds to the Oriental and Mixed Library established by him in the town.

Resolved.—That as a tentative measure a grant of twenty rupees per mensem be sanctioned for one year subject to the conditions of there being a Municipal Commissioner always on the Committee of management, that a monthly statement of expenditure and also of number of visitors be sent to the Municipal Board to be laid before their Meeting and that the Library be open to the public free of charge.

IV. Report from the Sub-Committee, submitting proposals for the disposal of the funds now available by the transfer of the Educational grants from Municipal to Provincial Funds.

Resolved.—That the report of the Sub-Committee be adopted with the following modifications, *viz.*, that Rs. 500 be deducted from the provision made for opening out crowded localities and the same amount be utilised towards meeting the charges of the proposed re-numbering of houses in the Town and that Rs. 1,000 be similarly deducted from the allotment made for additional drains in view to use the said amount for erecting huts for sweepers.

V. Proposal to build at Municipal expense huts for sweepers and houses for overseers in their respective Divisions.

Vide Resolution No. IV.

VI. Proposal to introduce a bye-law to prevent the commission of nuisance by children on the public roads.

Resolution.—The consideration of the subject be deferred till the next Meeting of the Board when a draft Bye-law may be prepared and laid before the Meeting.

VII. Proposal to lay out in building sites the large space of ground near the Artificer's Lines for the new Taragpete.

Resolution.—The consideration of the subject be deferred to the next Meeting of the Board.

Additional propositions.

I. Application from Mr. Takarsingh for lease of a site near Kumbar Shule for opening a tile manufactory.

Resolved.—That the matter be referred for a report to a Sub-Committee consisting of :—

The Vice-President.	Mr. Khazi Abid Sheriff Saib.
The Senior Surgeon and Sanitary Commr.	,, J. Cameron.
Mr. Doddi Venkatramana Chatti.	

II. Letter No. 150, dated 17th instant, from the Honorary Secretary, Friend-in-need Society, requesting that some of the poor belonging to the Town who are now being relieved by the Friend-in-need Society may be taken over to the Town Langarkhana.

Resolved.—That the Secretary be informed that the Society may deal with the paupers not belonging to Civil and Military Station in any way they think proper. If such paupers apply for help to this Municipality, the applications will be decided on their merits and with reference to the means at its disposal.

III. Application from Mr. Muhammad Mahdi Sahib for the grant of a building site in Dobbspete.

Resolved.—That the application be refused, the site being close to Miller Tank No. 1.

Memo of propositions to be laid before the next Meeting of the Municipal Commission to be held at their office premises on Monday, the 25th November 1889, at 7-30 A. M.
